Professions skills are shared between extensions now, you will have a separate skill bar for each This guide is for Vanilla Enchanting skill in the current retail version of World of Warcraft. I have a separate guide to Classic WoW, so if you're looking for it, visit my Classic WoW Enchanting Leveling Guide. Often the materials are based on a case with which you will get a skill point each craft. This will not happen, so you will need to buy a few extra materials while you are leveling your enchanting. If you are low on gold, I recommend you to try this Gold Making Guide, it can help you make lots of gold. If you're still leveling your character or you've just started a new everything, I recommend you use a leveling guide. You can level your grade to level 120 for 8 days with this guide. Approximate materials required for 1-300: 1 x Copper Rod 1 x Lesser Magic Essence 134 x Strange Dust 10 x Greater Magic Essence 10 x Simple Wood - sells 25 x Lesser Eternal Essence 170 x Light Illusion Dust - (or 57 Rich Illusion Dust, as you can convert them) 220 x Rich Illusion Dust 45 x Greater Eternal Essence Learning Enchanting Go up to a guard in any of these major cities below and ask where the enchanting coach is located. Horde: Orgrimmar, Thunder Bluff, Silvermoon City, Undercity Alliance: Stormwind, Ironforge, Darnassus, The Exodar When you ask the guard, the coach will be marked with a red mark on your card. 1 - 110 Blood Elf characters have 10 enchanting prowess due to their passive [Arcane Affinity]. An extra 10 enchanting skill means recipes stay orange for 10 more points, so you can save a lot of gold by making lower level recipes at 10 more points. You can put enchanter on a [Enchanting Vellum] if you can't put it on your own armor because it's too high level. Enchanting Vellum is sold by General Goods suppliers or Enchanting Supply suppliers near your trainer. Professions skills are shared between extensions now in retail WoW, you will have a separate skill bar for each extension. This guide is for Vanilla Enchanting Skill in the current retail version of World of Warcraft. Visit my Classic WoW Enchanting Leveling Guide 1-300 if you are looking for classic WoW guide. 1-2 1 x [Ruined Copper Rod] - 1 Copper Rod, 1 Strange Dust, 1 Lesser Magic Essence You can buy [Copper Rod] from the enchanting supply supplier near your trainer. 2-90 105 x [Enchantr: Minor Health] - 105 Strange Dust This recipe will be yellow for the last 20 points, so you might need to craft a few more. 90-100 10 x [Enchant Bracer: Minor Stamina] - 30 Strange Dust If Strange Dust Is Cheap and Greater Magic Essence Is Too Expensive On Your Kingdom, You can do this enchant up to 120. 100-110 10 x [Greater Magic Wand] - 10 Simple Wood, 10 Greater Magic Essence You can buy Simple Wood from Enchanting Supply suppliers near your trainer, or any Generals Goods supplier. 110 - 225 20 x [Enchant Bracer - Lesser Stamina] - 40 Light Illusion Dust 155-180 40 x [Enchant Bracer - Less Strength] - 80 Light Dust Illusion Read 110-135 part if you started the guide from from Point. There is a location listed there for this recipe. This turns yellow at 165. But if 2 Light Illusion Dust is much cheaper than 4 Less Eternal Essence, keep doing these until 185. If it is not then on 165 switch to: 165-180 15 x [Enchant Bracers: Versatility] - 60 Less Eternal Essence 180-220 50 x [Enchant Bracer: Strength] - 50 Light Illusion Dust This recipe will be yellow for the last few points, so you might have to craft more than 50. 220-225 5 x [Enchant Cloak: Greater Defense] - 10 Rich Illusion Dust 225 - 300 I hope you could like this enchanting leveling guide , congratulations on reaching 300!
